

PREPARE TO BE FLOORED.

Wind River Rustic

Band sawn texture from inside the antique beams.

With a rustic re-sawn texture our wind river paneling is a perfect fit for many applications. In addition to being great paneling for walls and ceilings wind river also works well as a trim or veneering material. Wind river is comprised of a mixture of North American pine species.

Sizes

Thickness 1/2" +/-
Widths Random width 4"-12"
Lengths 2' thru 12' random

Reclaimed Wind River is 100% FSC Certified Recycled and eligible for LEED Credits.
